

The Hut York

Hut Off The Press

Issue No.1 | March 2023

hello

and welcome to the first edition of our Hut newsletter! These will be coming out to you on a quarterly basis, to provide you with updates and information on all things relevant to The Hut.

Since Christmas our feet have barely touched the ground; organising, planning and creating with our members! The success of our first ever Christmas Market has focused and ramped up our production in The Hive during our Hut Made sessions; creating further products that we can sell with the update of our online shop.

In addition, as a team, we were delighted to see a brand new roof installed at The Hut. However, this wasn't without complications. When we returned after Christmas, water damage had destroyed much of our work on display. But this didn't stop us at The Hut!

We worked hard to clean-up and re-open and the damage gave us a good excuse to create lots of new colourful displays with our members in the New Year.

The fun hasn't been contained to the building itself. With help from Tom and Corrie, gardening has been ongoing. The gardening sessions have been extremely popular and as the weather improves, we can't wait to see it all in full bloom and I'm sure there will be some quirky additions in there too.

In March, we welcomed the Lord Mayor through the doors. It was a fantastic opportunity for us to showcase The Hut, explain our ethos and to meet with members.

But above all, like always, The Hut has been about fun!! Whether that's getting lost in a craft, mindfulness through gardening our taking some time out to focus on our wellbeing.
